

The minutes of the coordination meeting of the TEMPUS project SESREMO
at Eurasian National University (ENU) named after L. Gumilev

08.06.2015

Participants:

Kasymov W. T. (ENU, Astana), Esenguly S. R. (ENU, Astana), Baktybekov K. S. (NCC & t, Kazcosmos, Kazakhstan), Kenshinbuy T. I. (KSU, Kyzylorda), Ahmed-Zaki D. Zh. (KazNU, Almaty), Rakisheva Z. B. (KazNU, Almaty), Nogaybaeva M. O. (KazNU, Almaty), Ostroverkhov D. (TUB, Berlin), Bogdanov D. (TUB, Berlin), Sterengarts A. (ECM office, Berlin).

Agenda:

1. About the beginning of pilot training and the inclusion of disciplines and modules prepared in the framework of the project into the educational curricula of universities since 01.09.2015.
2. About preparation for publication of textbooks by teachers who were trained at the Tallinn Technical University and at the University of Twente.
3. About the coordination meeting of the partners from Kazakhstan in Almaty.
4. About the master classes to be held by the teachers of the Universities of Tallinn and Twente.

Decision:

- a) Starting from 01.09.2015 the universities ENU, KazNU, KGU will start pilot training of students on new courses and modules, which have been prepared in the framework of the project. In the first lesson, the teachers should announce that the course is developed in the framework of the TEMPUS project SESREMO and then provide a report to the coordinator on the conducted lesson (until 01.10.2015).
- (b) The teachers who have undergone training at Tallinn Technical University and at the University of Twente have to prepare training manuals on the subject of training (until November 2015). Publication of textbooks will be funded from the Project (for this you must first submit your quotation from the printing-house).
- (c) In October 2015 a coordination meeting of the Kazakh partners will be held in KazNU, Almaty.
- (d) In October - November 2015 the teachers of the Universities of Tallinn and Twente will held master-classes at Kazakh Universities.
